Remora Racing Tyres

Get unyielding Remora fish-like grip on the track. The Apache RTR 200 4V also comes with optional Race-Spec **PIRELLI** Tyres for added performance.

Race-Tuned **KYB** Monoshock

Stay balanced through every corner, with a floating piston shock absorber, precision-tuned compression and rebound damping.

Racing Double-Barrel Exhaust

Fill the track with a racing roar thanks to a stainless steel exhaust that lets out a signature low frequency sound.

Racing Origin Split Cradle Chassis

Carve up the track while having total control at high speeds, and flex in tight corners.

Powered By ETHANOL

In true Apache spirit, the all-new TVS Apache RTR 200 Fi E100 is yet another breakthrough—not just in terms of performance, but for the planet as well. With its Twin-Spray-Twin-Port EFI, the all-new TVS Apache RTR 200 Fi E100 is powered by Ethanol—a biodegradable, renewable fuel with a significantly lower carbon footprint. It has the same blistering performance that Apache has always stood for, now taking a stand for the planet.
